Craig,

I think we should involve Rick in the conversation. Let me check his schedule and get back to you.

Thanks,
Susan

Susan -

Do you have 15-30 minutes tomorrow so you and I can discuss ideas in preparation for the SSFL CAG Web-Ex meeting on Wednesday?
 re: EPA's position on TASC is connected to the State's CI program. I am free anytime tomorrow after 11:30am. I know you are super busy on preparing for the roll-out of your Communication Strategy but I think it would be helpful for us to talk in advance.

Let me know when and what number I should call you at tomorrow.

Thanks, Craig

 Subject: REMINDER: SSFL CAG meeting with EPA regarding TASC technical assistance requests 7/28 11am

Please join us for a meeting with EPA on 7/28 (this Wednesday) at 11:00am to discuss this communities' multiple TASC technical assistance requests denied by EPA. We look forward to a productive discussion about the needs and questions that the surrounding communities have.
 I'll be sending out conference call access links and call-in #s shortly under separate cover.

Thanks,
 Christina
